

Valley Metro Contracting Opportunities

Scott W. Smith

Chief Executive Officer

March 16, 2017

Valley Metro – Who Are We?

- Operate Regional Transit Services
 - Valley Metro and Phoenix are region's primary service providers
 - Light Rail, Bus and Dial-a-Ride
- Project Development
 - Rail and bus corridors
 - Support facilities

Region's Transit Services

- 26 miles of light rail
- 61 local bus routes
- 20 Express/RAPID
- 18 circulators
- Paratransit services
- 438 Vanpools

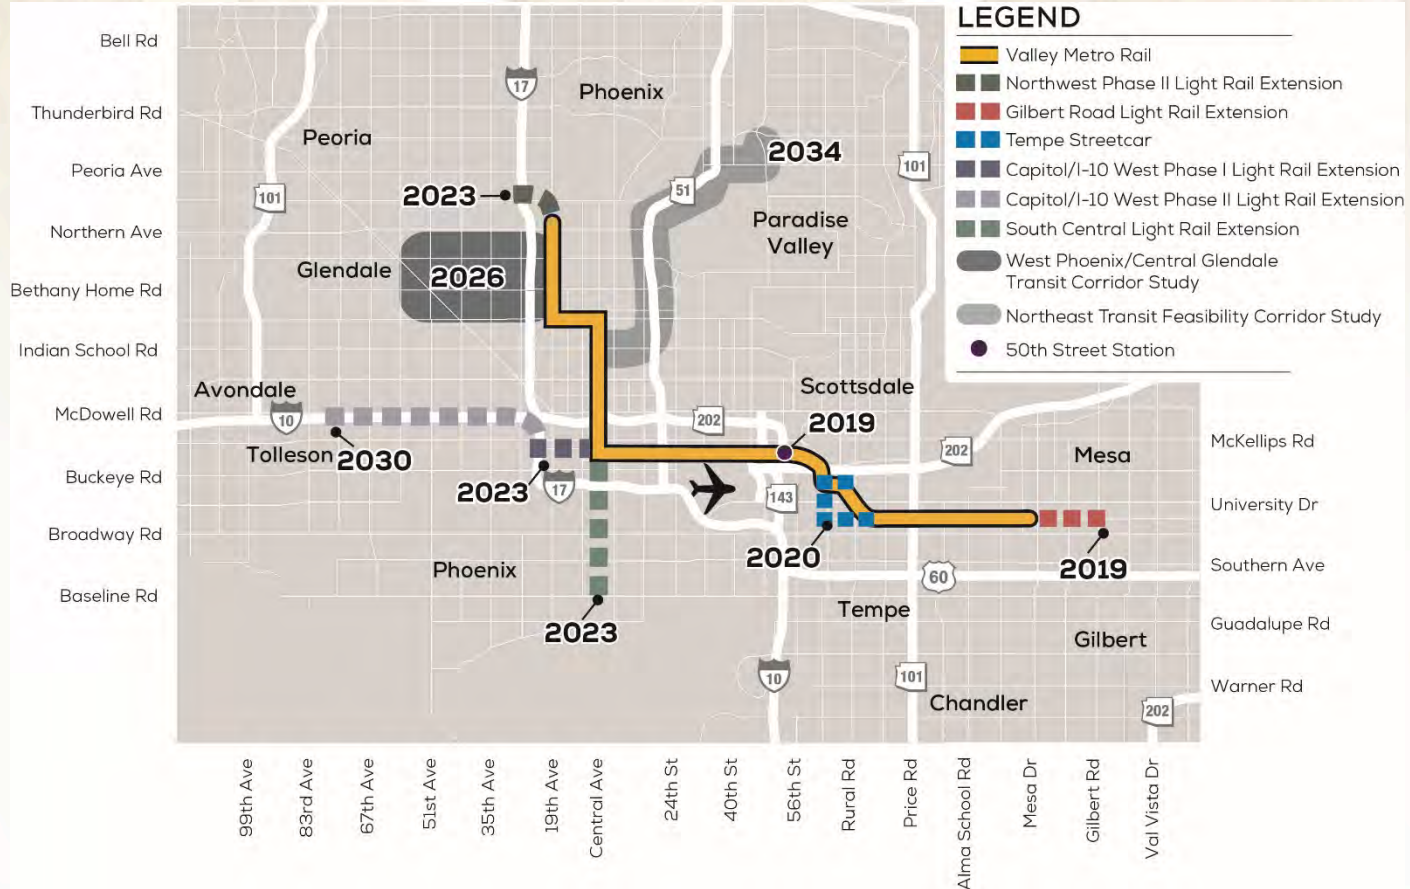

Multi-Modal Transit Network

- Every transit mode serves a certain purpose and market.
- Many modes working in concert create a successful transportation network.
- We have to continue to invest in transportation infrastructure.
