The **ADOT DBE & Small Business Transportation EXPO** is one of the best events to connect with potential clients and find out about upcoming work. Attendees will hear about upcoming projects from transportation leaders including: ADOT, MCDOT, the city of Phoenix Public Transit and Street Transportation Departments, Valley Metro and Phoenix Sky Harbor International Airport. There will also be a Workforce Development Panel to connect you to workforce development resources.

Some of the Valley's largest engineering and construction firms will be hosting tables and meeting new potential sub-consultants, subcontractors and service providers for their projects. Additionally, small businesses can find out about a host of assistance programs through non-profits and Technical Procurement Assistance Centers.

Contact Kelsey Marks at (480) 313-4821 or [kmarks@azbex.com](mailto:kmarks@azbex.com) with any questions about attending or exhibiting.
